	Model	WDM-NPKIT16F-BL/W																																																																															
	NVR Specifications																																																																																
	Video																																																																																
	Video Format:	NTSC or PAL																																																																															
	Video Inputs:	16chs 4K IP POE Camera																																																																															
	Video Outputs:	HDMI, VGA																																																																															
	Recording																																																																																
	Compression Format:	H.265																																																																															
	Recording Resolution:	4K/8/12MP																																																																															
Recording Modes:	Manual/Motion/Schedule																																																																																
Hard drive:	Internal 2xSATA hard drive required for recording, support up to 8TB																																																																																
Network																																																																																	
LAN Connection:	YES																																																																																
Network Interface:	RJ45																																																																																
General																																																																																	
Power Supply:	DC52V3A																																																																																
Back up method:	External storage via USB																																																																																
Mouse support:	YES																																																																																
Remote Control:	YES																																																																																
NVR Language																																																																																	
Support multiple languages																																																																																	
Cameras Specifications																																																																																	
Video																																																																																	
Image Sensor:	1/2.8" 2.0M Pixel Sony CMOS																																																																																
Video quality:	2MP (1920x1080) @30fps																																																																																
Dynamic Range	100dB																																																																																
SNR	≥50dB (AGC OFF)																																																																																
Illumination	0.001Lux@F1.2(AGC ON); B&W 0Lux(IR CUT ON)																																																																																
Day/Night Mode:	Auto IR-CUT switch, B/W, Color, Outer control																																																																																
Audio																																																																																	
Audio:	one way audio for optional																																																																																
Night Vision																																																																																	
Lens:	4/6mm lens																																																																																
Number of IR LEDs:	3pcs warmlight leds																																																																																
General																																																																																	
Indoor/Outdoor:	Suitable for Indoor or Outdoor use																																																																																
Operating Temperature:	-30°C ~60°C																																																																																
Operating Power:	powered by NVR																																																																																
Body Construction:	Bullet with Built-in Wall Mount/ Dome Ceiling Mount																																																																																
Color:	White Color
